Zoning 2015

This map is the understood zoning at the date of the map. This map is an unofficial representation of the official zoning map. Regardless of the existence of other printed copies of the Zoning Map, the Official Zoning Map shall be located in the Town office. For any discrepancies, please refer to the zoning ordinance which shall be the final authority as to the current zoning status of the land and water areas, buildings, and other structures in the town. The RPC does not redistribute this map to anyone but town officials and makes no claim about the accuracy of the data reflected here.

Base Features (transportation, political and hydrographic) were automated from the USGS Digital Line Graph data, 1:24,000, as archived in the GRANIT database at Complex Systems Research Center, Institute for the Study of Earth, Oceans and Space, University of New Hampshire, Durham, NH; 1992-2012. The roads within the Rockingham Planning Region have been updated by NH Department of Transportation through local input by the RPC where available.
