RE: Rockingham MPO 2019 TIP Administrative Modification Amendments (NHDOT Minor Revisions – October, 2020)

Dear Bill:

We have received the above-referenced requests to revise three (3) projects in the Rockingham MPO FY 2019 Transportation Improvement Program under our Administrative Modifications procedures. The modifications proposed are summarized as follows and are more fully described in the “2019 TIP Minor Revision Report” for October 2020 which is attached.

October, 2020 request three (3) projects proposed for administrative modification within the region:

Project Number	Location	Project Scope	Proposed Project Changes	Project Cost	
				Change	Approved
24457	NORTH HAMPTON	Superstructure replacement of bridge carrying US 1 over Boston & Maine RR (Red List Br No 148/132)	Funding type adjusted to better align with available federal funding.	\$0	Yes
12334	SALEM	Reconstruct Depot intersection NH28 (Broadway) and NH 97 (Main Street) add turn lanes on NH28 MUPCA	Funding type adjusted to better align with available federal funding.	\$0	Yes
41711	STRATHAM	Signalization, Turn Lanes and Intersection Realignment at the NH108/ Bunker Hill Intersection.	Updated to align with TYP	\$4,087	Yes
Net Change				\$4,087	

We concur that these projects changes are eligible for amendment through the Administrative Modification process.

Our TIP Amendment procedures (Section 6.5, MPO Prospectus) allow such modifications by action of the Executive Director provided that no exceptions are raised by MPO members. MPO TAC and Policy members were notified by email of the proposed modifications on October 15, 2020 and asked to respond

with any comment by close of business on October 16, 2020. As of that date I received no requests from MPO members that the changes be handled as a full amendment.

It was determined through Interagency Consultation (IAC) that the revisions do not impact the air quality conformity determination or change the financial constraint of the STIP. Based on this information the administrative modifications are approved. By copy of this letter I am informing the New Hampshire office of the FHWA, Region 1 of FTA and NHDES – Air Resources Division of this action. Please contact me should you have any questions about our actions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tim Roache".

Tim Roache
Executive Director

cc: Leigh Levine, FHWA,
Leah Sirmin, FTA,
Tim White, NHDES

Reading the TIP Revision Report

- Revision Docket – **A##** = Amendment. **A##M##Y##** = Administrative Adjustment.
- Description of Revision
- Approval Date
- Project Location – Will list “Program”, “Statewide”, or the community name(s)
- State Project Number
- Project Route/Location – specific roadway or facility where the project is occurring
- Project Scope – Short description of project
- Project phases – Can consist of “PE”, “ROW”, “CON”, or “OTHER”
- Total Project Cost. Includes costs for years before and after TIP years.
- Currently approved version of project
- Proposed project as revised. If project is new, “New Project” will be listed directly under “PENDING”
- Cost and phase breakout by TIP year
- Cost and phase breakout by general source of funds
- TIP Total – Total funding for project in the TIP by phase
- Funding Programs – Specific Federal, state, and other funding programs used
- Regionally Significant – Is project considered “Regionally Significant”
- CAA Code – Clean Air Act Exemption Code
