RE: Rockingham MPO 2021 TIP Administrative Modification Amendments (NHDOT Minor Revisions –July, 2021)

Dear Bill:

We have received the above-referenced requests to revise two (2) projects in the Rockingham MPO FY 2021 Transportation Improvement Program under our Administrative Modifications procedures. The modifications proposed are summarized as follows and are more fully described in the “2021 TIP Minor Revision Report” for July 2021 which is attached.

July, 2021 request two (2) projects proposed for administrative modification within the region:

Project Number	Location	Project Scope	Proposed Project Changes	Project Cost	
				Change	Approved
40797	HAMPTON	Improvements to Ocean Boulevard.	Increase in funds for Consultant to perform survey work	\$220,000	Yes
15904	SEABROOK - HAMPTON	Reconstruction of Red List bridge carrying NH 1A over Hampton River(Br#235/025)Debt Serv.Proj#42710	Updated funding years for ROW with all ROW consolidated to FY22	\$0	Yes
<b>Net Change</b>				<b>\$220,000</b>	

We concur that these projects changes are eligible for amendment through the Administrative Modification process.

Our TIP Amendment procedures (Section 6.5, MPO Prospectus) allow such modifications by action of the Executive Director provided that no exceptions are raised by MPO members. MPO TAC and Policy members were notified by email of the proposed modifications on July 27, 2021 and asked to respond with any comment by close of business on July 29, 2021. As of that date I received no requests from MPO members that the changes be handled as a full amendment.

It was determined through Interagency Consultation (IAC) that the revisions do not impact the air quality conformity determination or change the financial constraint of the STIP. Based on this information the administrative modifications are approved. By copy of this letter I am informing the New Hampshire office

of the FHWA, Region 1 of FTA and NHDES – Air Resources Division of this action. Please contact me should you have any questions about our actions.

Sincerely,
