

Notice of Comment Period and Public Hearing Rockingham Planning Commission 2019-2022 TIP Amendment #3

The FY 2019-2022 Transportation Improvement Program (TIP) is a prioritized list of federal and state funded regional transportation projects developed by NH DOT and representatives from the communities of the Rockingham Planning Commission (RPC) region. The RPC announces its intent to amend the TIP to account for project changes and to maintain consistency with the State Transportation Improvement Program (STIP). To maintain consistency between the TIP and the Long Range Transportation Plan (LRTP), the project list of the LRTP will be updated in conjunction with the changes to the TIP. The project specific changes to the TIP and supporting documentation can be found on the Rockingham Planning Commission website at http://www.rpc-nh.org.

A 15-day public comment period for the Amendments begins Tuesday January 28, 2020 and concludes on Tuesday, February 11, 2020. A public hearing to consider the changes and any received comments is scheduled for *Wednesday February 12, 2020, beginning at 7:00 PM at the Kingston Town Library at* 2 Library Lane, Kingston (Use <u>56 Church Street</u> for GPS directions). The Planning Commission will meet after the public hearing to adopt the changes to the TIP.

As of July 20, 2013, all of New Hampshire is unclassifiable/attainment for the 2008 8-Hour Ozone National Ambient Air Quality Standards (the 2008 ozone standard) and as of April 6, 2015, the 1997 8-Hour Ozone National Ambient Air Quality Standard (the 1997 ozone standard) is revoked for all purposes, including transportation conformity purposes in the Boston-Manchester-Portsmouth (SE) NH area.

Consistent with the RPC's Public Participation Process, this notice and comment period is also intended to meet FTA requirements for public comment on the programs of transit projects put forward by NHDOT, UNH and the COAST and CART transit systems.

Copies of all documents are available at the RPC offices, on the website at http://www.therpc.org, and will be sent to interested parties by request. Written comments will also be accepted through February 11, 2020 and may be addressed to:
